BIOGRAPHY of DANA HOROCHOWSKI

Educated at the University of Western Ontario, Lakehead University, and continuous education in Nutrition, Holistic Health and Healing. Born February 12, 1965 to immigrant Polish parents and grew up in Sault Ste Marie Ontario. Taught Math, Science and Vocal Music for the York Catholic District School Board from 1989 to 2003. Built her own education system in 1995 and continues to advocate her revolution in holistic education.

Presently single without family commitments, Dana spends time networking with others who desire a solution to the problems that currently face us. She speaks out for an independent Canada.

Dana believes that the education system is failing the youth by suppressing pertinent information.

IDEALLY, she encourages independent thinking, an integral media, community cooperation and trade, environmental responsibility, the eradication of poverty and addictions, world peace and an accountable, honest and reduced government serving the people.

With a background in Biology and Ecology, Dana consistently researches alternative energies, organic foods, holistic health and healing, as well as issues related to global warming and the environment.

She believes in the **Restoration of Jurisdiction for First Nations** and has worked closely with the Anishnabe as a teacher and in community involvement. Having spent time in rural communities, Dana has seen the decline of agriculture and manufacturing due to Free Trade.

Her focus is to help solve the problems of our under employed, re-educate and re-train people and create new economies and micro-industries that promote an independent healthy Canada; one that can help show the rest of the world how to live in peace and prosperity.

The Focus of this FEDERAL PARTY is to re-educate the masses as efficiently and as quickly as possible, since New World Order Tactics are quickly overtaking our world.

Global Problems

Since 1998, Dana has been investigating the source of our global problems and trying to bring these concerns to the attention of the education system, the government, media, religious leaders, concerned parents,

students and other citizens. By truly understanding where the problem lies and by accepting that there is a problem, only then can we make significant changes towards remedying the situation. Currently our bureaucracy fails to tell us the truth about what is really going on.

Dana opposes the North American Union, NAFTA and the globalization agenda. She has been educating others about these dangerous issues through her website www.holyhealthy.com.

She works closely with Toronto Street News (a unsuppressed newspaper, sold by the underemployed) which is posted currently on her website at: www.canadastreetnews.com.
